 PUNGAREHU

GRID GEODETIC DATUM
 The grid on this map is the National Yard Grid. References on this map will be subject to errors of approximately 100 yards, except that in unmapped or steep country these errors may approach 300 yards.

CAUTION
 This mosaic is not an accurate map. Errors should not exceed 5% in flat country and 10% in hill country.

This map was compiled by N.Z. Aerial Mapping Ltd., for Lands & Survey Dept. N.Z. Date:— June 1971
 Date of Photography:— November 1970
